RESEARCH PARK  
AT FLORIDA ATLANTIC  
UNIVERSITY®

We've come a long way...

The Research Park at Florida Atlantic University was established in 1985, it is widely regarded as South Florida's laboratory for new entrepreneurial ideas and technologies.

The Research Park at FAU is governed by the Florida Atlantic Research and Development Authority, an independent special district created by Florida Atlantic University in partnership with Palm Beach and Broward counties, organized under Chapter 159, Part V, Florida Statutes.

---

**We've been a part of awesomeness...**

There have been numerous awards....

---

And we've celebrated with our Entrepreneurs along the way...

---

**The celebration continues... come be a part of what we do.**

The Research Park at Florida Atlantic University® is home to technology companies and research-based organizations working to support the research and development activities of Florida Atlantic University, and to foster economic development and broaden the economic base of Broward and Palm Beach counties.

Our mission is to promote scientific research and development in affiliation with FAU and to foster economic development in Broward and Palm Beach counties. Once again, the work undertaken with vigor by the professionals, researchers, educators, innovators, and entrepreneurs who call the Research Park at FAU home, advanced the mission, broadening and strengthening the economic base of our region.
