Dr. Joseph Purita

Pur-Form, a clinic that is dedicated to providing innovative and safe treatments for its patients. Pur-Form is led by **Dr. Joseph Purita**, a renowned specialist in the field of regenerative cell and PRP therapy for orthopedic conditions. With his passion for helping patients avoid surgery, Dr. Purita says "My biggest reward is the ability to keep my patients out of the operating rooms."

[Connect with Pur-Form](#)

Chronic pain and degenerative conditions can have a devastating impact on a person's daily life, reducing their overall quality of life. However, there is hope in the form of regenerative medicine, which provides a viable and effective alternative for patients seeking to tackle the underlying source of their pain, rather than just managing it with medication.

The FAU Health Network is proud to collaborate with **Pur-Form**, a clinic that is dedicated to providing innovative and safe treatments for its patients. Pur-Form is led by Dr. Joseph Purita, a renowned specialist in the field of regenerative cell and PRP therapy for orthopedic conditions. With his passion for helping patients avoid surgery, Dr. Purita says "My biggest reward is the ability to keep my patients out of the operating rooms."

Pur-Form's key to success lies in their commitment to truly understanding and addressing the needs of their patients. The clinic takes a patient-centered approach, which involves building strong relationships with patients through listening, empathy, and personalized care. This allows Pur-Form to create a care plan that is tailored to the individual needs and goals of each patient. Pur-Form offers a wide range of services, including regenerative orthopedics, functional medicine, weight loss, derma fillers, PRF, Morpheus8, Cryo-aesthetics, NAD+, vitamin IV, red light therapy, infrared sauna, and DermaShape.
